

Genel Otomotiv Mamulleri San. ve Tic. A.Ş.

OCCUPATIONAL HEALTH AND SAFETY POLICY

We, A-PLAS GENEL OTOMOTİV MAMULLERİ San. And Tic. A.S Family,

In our production of plastic components for the automotive industry, we aim to create, maintain and continuously improve a healthier and safer working environment for our employees, guests and subcontractors as a business with Occupational Health and Safety awareness.

In line with this purpose,

- Fulfil all legal and other obligations,*
- To assess hazards to minimise the effects of risks arising from machinery and work equipment in the workplace,*
- Taking protective measures,*
- To raise awareness by providing OHS trainings to our employees,*
- To be prepared for emergencies that may occur by taking the necessary precautions,*
- To ensure the safe use of chemicals in the workplace,*
- To prevent possible risks with the aim of fire protection and to raise awareness by training employees,*
- To implement Incident and Accident Management in order to reduce work accidents,*
- To raise awareness of employees about Workplace Ergonomics and to make improvements in this regard,*
- Personal Protective Equipment given to employees according to the hazard and risk of the work performed*

To ensure and supervise the use of equipment,

is one of our main goals.

CHAIRMAN OF THE BOARD

Ahmet AĞAOĞLU
