

## **OUR INFORMATION SECURITY POLICY**

A-Plas Genel Otomotiv Mamüleri San.ve Tic.A.Ş. may have the private access/connection information of the customers it serves during our activities, private password, setting and contact information of critical devices.

Our primary goal is to ensure the trust of the institutions and organizations we serve and to ensure the security of our information assets that we use for the services we provide.

In this context, our relationships with our customers, official institutions and dealers with whom we cooperate are very valuable.

The continuity of the services we provide, the confidentiality of the information we hold, and the integrity of the information assets of customers or within ourselves are of high importance.

Our company is managed with a risk perspective.

For this purpose

- ✓ We constantly review our risks and implement controls for risks above the acceptable level.
- ✓ We keep the information security awareness of our employees high.
- ✓ We are committed to fully comply with the laws and regulations of the Turkish Republic.
- ✓ We review this policy once a year and keep it up-to-date.

**CHAIRMAN OF THE BOARD**

**Ahmet Ağaoğlu**
